FROM THE PRINCIPAL

WELCOME !!! Another new enrolment and his family have joining our Longburn School family. Welcome Alex Baylis and his parents Jason and Hanna.

TOP SCHOOLS COMPETITION AT RONGOTEA...

A group of our students participated in this years event, competing for the Lions Top School Shield (of which our latest win was in 2011).

I'm sure the children all had fun but would like to take this opportunity to thank their manager (Sue Neall) who kindly stepped into the position at very short notice to cover another parent who was unable to attend.

Check out the photo below of the final event—the slippery slide'.

WEEK OF 25TH FEB—1ST APRIL...

This will be a very 'full on' week at school with varying activities taking place as part of an activity week. Along with ending the week with the school swimming sports on the Friday we will also be holding our annual Powhiri on Thursday the 28th (the night of the overnight camp on the school grounds for the whole school).

There will be further communication about this week coming home with children at the beginning of next week. This will outline the broader details of activities, along with

being a means of requesting information and support. Please keep an eye out for this information in your child's communication sleeve/book. If you don't receive anything then please contact the school for another copy to be sent home.

BOT ELECTIONS THIS YEAR...

If you believe that you can contribute to making our school the best it can be through the role of a trustee then please keep this Election in mind. We need people who want to touch the future of our students, staff and other Longburn School community members in a positive way through this opportunity.

Further information will follow as we get closer to the May Election date.

CHARTER/ANNUAL PLAN FOR 2013...

Our updated School Charter and Annual Plan for 2013 is due into the Ministry of Education by the 1st of March. We are keen to have your contributions into these documents which effectively form the backbone of what we do at the school.

I have placed a copy of the draft plans on the foyer notice-board, along with some sheets of paper that have our 5 Local Goals on them. There are sticky notes there as well so that you can add any comments/suggestions as a contribution to the draft documents that will be taken to the BOT meeting on Monday 18th February. I can email the documents that are on the display board if you would like to contribute but can't make it into the school before the 18th. We will be doing a full consultation around our Charter and Strategic Plan in the later part of this year, once the BOT Elections are completed.

HOLA...

The first of our Spanish Language and Culture sessions kicked off this week with the Junior Room and a group of senior room students who have opted in as an area of interest. Mrs Lagah and myself are learning alongside our students, both undertaking some Teacher Professional Development in this area, along with some university papers in the field of Teaching and Learning of Languages. We have a couple of community members who have been to Spanish speaking countries who are willing to come along and share their experiences with us, something we are looking forward to.

Adios....

Ms Emerson—Proud Principal of Longburn School

SCHOOL NOTICES—SCHOOL NOTICES

BUS STUDENTS Parent/caregivers, if you have a message for your child who catches the school bus (regarding alternative arrangements)—can you please let the school office know by 2pm (the office is not available after 2pm and with teacher's teaching, they are unable to answer or clear answer machine before 2:55pm).

SCHOOL UNIFORM ... It's great to be back at school and a majority of our students have turned up wearing their uniform in a tidy manor. Please be sure that your child is wearing tidy long plain black shorts or skirts, black sandals or closed shoes and their school hats. It is particularly good practice for senior students to wear the uniform correctly as they are our role models to the younger students.
